GRADUATE SCHOOL

## DUAL BACCALAUREATE & MASTER OF PUBLIC HEALTH

# Learn. Discover. Innovate. Lead.

### TWO DEGREES, FIVE YEARS

Eligible Lawrence University (LU) students may enroll in the Medical College of Wisconsin's (MCW) online graduate public health program prior to graduation from LU. In the dual degree year, students take the equivalent of 27 units at LU in addition to the online MPH courses. Up to 15 credits (27 LU units) of MCW graduate work may count towards both the undergraduate and graduate degrees. After graduation from LU, these students continue as graduate students at MCW for approximately one additional year until they complete the Master of Public Health Program.

#### Prerequisites

- Two terms of Freshman Studies
- One course designated as writing intensive
- One course in Statistics (MATH 107; MATH 255; BIOL 170; PSYC 170; or ANTH 207)
- BIOL 130\*

#### Eligibility

- Lawrence students majoring in any discipline may apply for this dual degree program through a rolling admission process with a deadline of April 10 of their junior year
- Applications are accepted online through MCW
- Application fee: waived

#### Admission Requirements

- Successful completion of a minimum of 162 units at Lawrence
- Cumulative GPA: 3.0
- 3 letters of recommendation
  - Faculty advisor
  - A faculty member from your major or minor
  - Other academic or professional reference

#### MPH Program Contact Info:

Terry Brandenburg, MPH, CPH  
Program Director  
(414) 955-8036
